

Funerary jar, Yaozhou ware

Primary Maker

Unidentified artist

Medium

Glazed stoneware

Description

A northern celadon multi-tiered lotus form funerary jar. The lowest tier emulates the base leaves of a lotus plant. The next two are emulating smaller leaves. The next three are in a lotus petal design. All designs are incised and carved. There are five stems above which are joss stick holders (incense offering). Cover is missing.

Dimensions

8 5/8 × 4 1/2 inches (21.9 × 11.4 cm)
