

Vase, Vitreous Enamel On Repousse Copper

Date

1892-1930

Primary Maker

Louis Comfort Tiffany

Medium

Copper

Description

Small bulbous vase of repousse copper with lustrous enamel decoration in a naturalistic form almost

resembling a stylized sea urchin. The ground is a gold and green with pink and purple tear drop forms staggered across the surface. Certain sections are rough with round, raised green iridescent forms.

Dimensions

Height: 2 1/2 inches (6.4 cm); Diameter: 3 1/4 inches (8.3 cm)
